Hello everyone! As most of you know June was my last month here. I will be staying at home with my son. I want to thank all of you of so much for the best three years ever! I have enjoyed working with the staff and being with my residents daily! You all have been like family to me and I will miss you guys so much! I leave with so many great memories of each and everyone one of you! Our new Activity Director is Angie Moser.

Hi, I know I have some big shoes to fill as Cassie leaves her position here, but I will do my best to provide a variety of activities that everyone can enjoy. I appreciate the warm welcome I've received from those of you I have met, and can't wait to make the rounds to everyone.

Here's a little background on me ~

I have been married to Tim Moser for 6 years. He is the Commercial Manager at Auto Zone. I have a daughter, Kinzy, who turned 16 this month. She has a part-time job at South HyVee which will provide some of the gas money she will be needing, since her new hobby is driving anywhere she can go! My 21 year old daughter, Kyleigh works at First Resources and has her own home on Morris Street. I plan to have my family out soon so you can meet the whole gang!

Please plan to join us for the scheduled events so I can get to know each of you.

**DOROTHY
LOUISE
DENNIS**

Dorothy joined our Prairie Hills family approximately two months ago. She has lived in the Ottumwa area all of her life and is has enjoyed settling into her new home, room 412. Dorothy married John Rogers Dennis in August 1941 and they were married for 64 wonderful years. She has three children, two sons that live in the area and a daughter that resides in Kansas, with her two grandchildren.

She worked as a receptionist for Dr. L.A. Taylor, an ophthalmologist with an office in the Harvester Building, shortly after being married. Her true enjoyment was being able to stay at home with her children as they were growing up.

Dorothy enjoys our friendly atmosphere and any socializing she can. She is always ready to join an activity or participate in an outing we have scheduled. You will notice she has a smile and a positive word for anyone she comes in contact with.

We are thrilled to have her with us!!!

Gary Reeves will be holding his church services at 1:30 each Sunday in July.
